

LITTLE WONDERS TRANSPORTATION POLICIES

These policies are set to ensure that our routes run smoothly, safely, and efficiently. Please read through them carefully and let us know if you have any questions or concerns.

Safety is our number one concern, and the driver and the children must work together. Any behavior that endangers your child or others, distracts the driver, or delays the bus, will result in a warning the first time, a phone call to the parent the second time, and a two-week suspension from the bus the third time. Examples of these behaviors include taking seat belts off or refusing to put them on, screaming, hitting, refusing to get on the bus, or not meeting in the designated area on time.

Unless you notify Little Wonders one hour in advance, we will assume that we are taking and/or picking up every child on the schedule. If your child is sick or won't be attending school for any reason, please call by 7:30 am and leave a message, specifying which trips you are cancelling. If our route is disrupted due to a lack of communication on your part, your account will incur an additional \$5 on top of the regular transportation fee. Every minute we spend looking for a child or making phone calls to clear up confusion is a minute that children at the next school have to wait.

If we cannot find your child within five minutes of the school's dismissal time, we will attempt to call you. After ten minutes total, we must leave in order to get to the next school. Please communicate with your child about what to expect every day.

Little Wonders cannot be responsible for children left at school because of miscommunication from parents or because a child could not be found. If we must return to a school to pick up your child, an additional \$5 fee will be charged to your account.

We do everything we can to keep up on the school schedules. But it is the parents' responsibility to let us know of any schedule changes.

Because most schools begin and end at the same time, your child may be dropped off fifteen minutes before school and picked up fifteen minutes after. We will make arrangements with the office if this becomes necessary.

We have your child scheduled on the following route(s):
